

Equipment	Hush 55
External dimensions length/width	230/ 125 cm
Height	251 cm
Weight	2065 kg
Prime power	30 kVA
Working temperature	-30/70 °C
Tank capacity	2000L
Sound pressure level	55 dB
Tension	400/230V
Rated current	43,4 A
Frequency	50 Hz
Rated speed	1500 RPM

Additional options

- Internal and external control panel
- Automatic fuel tank filling system
- Battery circuit disconnection system
- Remote start
- Automatic and regulated electronic battery charger
- Motor heating with single-phase power supply and fuses
- Electronic speed controller
- Enlarged fuel tank 500, 1000
- Case made of aluminum
- Sound power level at 7 m reduced to 47.1 dB
