

Specification of 2023-01-27

Equipment	Hush 55
External dimensions length/width	265/ 120cm
Height	191 cm
Weight	1740 kg
Prime power	60 kVA
Working temperature	-30/70 °C
Tank capacity	185L
Sound pressure level	55 dB
Tension	400/230V
Rated current	86,7 A
Frequency	50 Hz
Rated speed	1500 RPM

Additional options

- Internal and external control panel
- Automatic fuel tank filling system
- Battery circuit disconnection system
- Remote start
- Automatic and regulated electronic battery charger
- Motor heating with single-phase power supply and fuses
- Electronic speed controller
- Enlarged fuel tank 500, 1000, 2000L
- Case made of aluminum
- Sound power level at 7 m reduced to 47.1 dB
